### STATEMENT OF EVALUATION – ADVISORY INTERPRETATION

The credentials of Fatekh Petrovich Vergasov indicate that, in the judgment of the undersigned, he has achieved the equivalent of a Master's degree, specialized in Construction Management and Technology, plus a level of education at least between a Master's degree and a doctor's (Ph.D.) degree, specialized in the Construction and Operation of Oil and Gas Pipelines, Bases and Storage Tanks, at an accredited institution in the United States. This is based on the following:

--studies in the former Soviet Union under the auspices of the All-Union Correspondence Polytechnic Institute resulting in the award of the degree of *Inzhener-Ekonomist* (Engineer – Economist) in 1981 and under the auspices of the Supreme Attestation Commission resulting in the award of the degree of *Kandidat Nauk* (Candidate of Science) in 1989 respectively.

Mr. Vergasov might have the equivalent of a Ph.D. degree, depending on an assessment of his *Kandidat* degree thesis by a U. S. academic expert in his field who has a U.S. Ph.D. and who supervises doctoral candidates.

Comment: documentation consisted of photocopies, but no reason to doubt authenticity.
